DENTAL INSURANCE: Most dental insurance plans do not cover 100% of your cost of treatment. Therefore, you will be expected to pay your deductible **and** your ESTIMATED co-payment on the day services are rendered. We cannot guarantee any estimated charges. Your insurance is an agreement between you and the insurance company--you are responsible for all charges. If your insurance company has not paid within 60 days from the start of treatment, you are responsible for payment **in full** at that time.

MISSED APPOINTMENTS: We respectfully ask that you give us a minimum of 48 hours notice to cancel or reschedule your appointment, otherwise a \$75 fee will be assessed.

AUTHORIZATION & RELEASE: I authorize NuSmile to release any information including the diagnosis and the records of any treatment or examination rendered to me or my child during the period of such dental care to third party payers and/or healthcare practitioners. I authorize and request my insurance company to pay directly to the dentist (if my insurance will allow it) or dental group insurance benefits otherwise payable to me. I understand that my insurance carrier may pay less than the actual bill for services. I agree to be responsible for payment of all services rendered on my behalf or my dependents.

I have read the above conditions of treatment and payment and agree to their content.

Agreement As To Resolution Of Concerns: I understand that I am entering into a contractual relationship with Doctor for professional care. I further understand that meritless and frivolous claims for medical/dental malpractice have an adverse effect upon the cost and availability of healthcare, and may result in irreparable harm to a healthcare provider. As additional consideration for professional care provided to me by Doctor, I the patient/guardian and/or my representative agree not to advance, directly or indirectly, any false, meritless, and/or frivolous claim(s) of medical/dental malpractice against the Doctor.

Furthermore, should a meritorious medical/dental malpractice case or cause of action be initiated or pursued, I (the patient) and/or my representative agree to use expert witness(es) who practice primarily in the same specialty as Doctor. Furthermore, I agree that these expert witnesses will be members in good standing of and adhere to the guidelines and/or code of conduct defined for expert witnesses by the American Dental Association.

In further consideration for this, Doctor agrees to the same stipulations.

Mutual Agreement To Maintain Privacy: Dr. Jeremy Thompson and NuSmile (collectively labeled "*Dentist*") agree to provide treatment to "*Patient*". The Dentist takes pride in being able to extend a greater degree of privacy than is required by law.

Federal and State privacy laws are complex. Unfortunately, some dental offices try to find loopholes around these laws. For example, dentists are forbidden by law from receiving money for selling lists of patients or medical information to companies to market their products or services directly to patients without authorization. Some dental practices, though, can lawfully circumvent this limitation by having a third party perform the marketing. While personal data is never technically in the possession of the company selling its products or services, the patient can still be

targeted with unwanted marketing information. Dentist believes this is improper and may not be in the patients' best interest. Accordingly, Dentist agrees not to provide medical/dental information for the purpose of marketing directly to Patient. Regardless of legal privacy loopholes, Dentist will never attempt to leverage its relationship with Patient by seeking Patient's consent for marketing products for others.

We want your feedback. If our office gets it right, tell us. If we could do something better, tell us. We take quality improvement seriously. While there are scores of "rating sites" in cyberspace, many fail to provide useful information. Let's get it done right. We can make recommendations as to which sites follow minimum standards for fairness and balance. Just ask us.

This Agreement shall be in force and enforceable for a period of five years from Dentist's last date of service to Patient. As a matter of office policy, Dentist is requiring all patients in its practice sign the Mutual Agreement so as to establish that any anonymous or pseudonymous publishing or airing of commentary will be covered by this agreement for all Dentist's patients. Further, this Agreement will survive for a minimum of three years beyond any termination of the Dentist-Patient relationship.

Patient and Dentist acknowledge that breach of this Agreement may result in serious, irreparable harm. Patient and Dentist agree to the right of equitable relief (including but not limited to injunctive relief). Should a breach of this Agreement result in litigation, the prevailing party in the litigation shall be entitled to reasonable costs, expenses, and attorney fees associated with the litigation.

Patient has been given the opportunity to ask questions and receive satisfactory and adequate explanations.

I, _____, have had full opportunity to read and consider the contents of this Consent form and your Notice of Privacy Practices. I understand that, by signing this Consent form, I am giving my consent to your use and disclosure of my protected health information to carry out treatment, payment activities and health care operations.
